Dear USD 343 Family,

Our schools will be administering our annual bullying awareness survey between October 24<sup>th</sup> and November 25<sup>th</sup>. This survey is taken by students in grades 3 through 12 and takes approximately three minutes for elementary students (grade 3-4) to complete and approximately five minutes for secondary students (grade 5-12) to complete.

USD 343 has administered this survey for several years and we find the results to be a valuable tool in terms of determining student perceptions on bullying within our school district. Building level leadership teams analyze the annual data to determine if trends are developing in a positive or negative direction, as well as determine if we have a hot spot that needs immediate attention.

Important information to note:

1. The survey is administered through the student's iPad. If interested, you may review the survey questions by clicking [HERE](#) for Elementary or [HERE](#) for Secondary!
2. We believe participation is critical. This data is extremely helpful in identifying concerns and providing timely support, responses, and resources in areas of need.
3. Participation is voluntary and your child may decline to participate.

To review past trend data from this survey, please click [HERE](#)!

If you have any concerns or questions, please contact the school counselor.

Due to state legislation, this survey is not considered academic, therefore parents must **OPT-IN** their child before that child is allowed to participate. We are asking you to please click [HERE](#) and complete the short Parent Opt-In Form so we can continue to collect this important data. You will simply provide your child's name, your name and an email to make it official. A copy of your response will be sent directly to the school. If you have more than one student, once you complete the first opt-in survey, you will be given the option to submit another form for your other child. Each opt-in form should take less than 30 seconds to submit from a computer with a keyboard or one minute from your phone.

Best regards,

*Josh Woodward*
