PERRY-LECOMPTON HIGH SCHOOL

FEBRUARY 2009

Parent-Teacher Conferences

February 18, 2009 we will be having Parent Teacher conferences from 4:00 pm to 8:00 pm. We will also be having conferences on February 19, 2009 from 2:00 pm to 8:00 pm. Parents, please support your student by attending conferences. We also encourage all students to attend conferences with their parents. Attending together helps create a very positive conference environment.

Sub-State Basketball at PLHS

PLHS will be hosting the boy's and girl's semi final and final games of the Sub-State Basketball tournament on the evenings of March 5th, 6th and 7th. First round games of Sub-State Basketball are held at the school with the higher seed in the Sub-State Tournament. Schools participating in the Perry-Lecompton Sub-State are Atchison, Basehor-Linwood, Hiawatha, Holton, Royal Valley, Jefferson West, and Tonganoxie. The winner of the boy's and girl's tournament will qualify for the State Basketball tournament the following week which is held in Salina. We are expecting a large turnout for this event. Should you plan to attend, please remember that league, school, and student passes will not be accepted as this is a Kansas State High School Activities Association post season event. The PLHS booster club and various student activity clubs have been planning soup suppers and dinners for the two evenings of this tournament. Please be sure to check the district website for detailed information as we move closer to the tournament date.

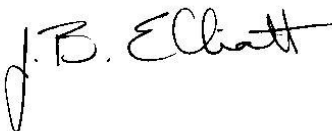

Did you Know?

Currently, we have 31 PLHS students enrolled at the Highland Community College-Perry Center. These students are enrolled in College English 101, Public Speaking and College Algebra. The opportunity to earn college credit during the school day has been a convenience and has proven to be an advantage for many of our students.

FIRST SEMESTER GRADE CARDS

PLHS semester grade cards were mailed home on January 7. Students were reminded before the end of the semester to pay bills and turn in materials. If obligations were not met, grade cards were held. Please call if you have not received your student's grade card.

PARENT TEACHER CONFERENCES

Student centered Parent-Teacher Conferences will be held Wednesday, February 18, from 4:00 p.m. to 8:00 p.m. and on Thursday, February 19, from 2:00 p.m. to 8:00 p.m. It is very important that all students and parents attend. This is the best way for students to commit to their educations and for parents to support their efforts at school. When students, parents, and teachers meet together, we accomplish much more than meeting with the students or the parents by themselves.

MEXICO TRAVEL - PLHS INTERNATIONAL CLUB

PLHS International Club invites you to join us on an 11 day Mexico adventure! The Club will travel to Mexico City, the Teotihuacan and Cholula Pyramids, ancient cities of the Mayan culture, and other points of interest in The Gulf of Campeche.

Travelers will depart in early June. Please contact [Maribel Johnson](#) or [Susie Whitaker](#) at PLHS (785-597-5124) if interested in traveling to this amazing country. Deadline to sign up is February 10, 2009.

SPRING SPORTS PRE-SEASON MEETINGS

Just a reminder, that the Class of 2010 is responsible for earning enough money to cover the costs of prom and their graduation. The primary fund-raiser for the Junior class is – concession stands. We just have a few left – please help fill these shifts. Parents and grandparents may work shifts for students. Just have your student sign up in the Library with Mrs. Whitaker.

Open concession shifts:

Feb 20 - 2 students for the 3:30 - 5:30 shift

FROM THE COUNSELOR'S OFFICE.....February, 2009

It's a very busy time of year! We are just finalizing transcripts from first semester and are sending out any necessary mid-year college/university reports. Within the next two months we hope to conduct enrollment for next year. **Local scholarship information will be available to seniors in late January with most deadlines later in the spring.**

College Goal Sunday, on **Sunday, February 8**, from **2:00 to 4:00 p.m.**, at the Memorial Union, at Washburn OR in Lawrence, at K.U.

www.collegegoal.org

Financial aid counselors will be available to help you fill out your FAFSA. Computers will be available. This is a free and easy way to get questions answered! AND, **drawings at each site will be held for two \$500 scholarships!**

FYI – FAFSA on the web www.fafsa.ed.gov

Remember to get your pin number (electronic signature for FAFSA) at www.pin.ed.gov

(Word is that sometimes attendance is smaller than hoped and scholarships are therefore more easily “winnable”. Get expert help on the FAFSA and win money!)

I strongly urge students and parents to check out one of the scholarship search programs available on the Internet. Many of our students use www.fastweb.com. This information is updated, and more accurate than books. Plus, it's free! Students of any grade level can look for scholarships for which they might qualify or at least eventually qualify! www.finaid.org or www.wiredscholar.com are other options. There are many sites. **Be careful to avoid paying for searches.** There are better free ones!

As of 2007, the **NCAA** no longer accepts ACT scores from high school transcripts. If your student is an athlete who hopes to win a D-I or D-II scholarship please make sure he or she sends scores to NCAA when they register for the ACT.

JUNIOR ACT'S The spring ACT's are a common choice for juniors. Students who test during junior year are usually planning to take the ACT more than once. With scholarship deadlines getting earlier and earlier, having ACT scores completed early is more and more recommended. ACT test dates remaining for this semester are April 4 and June 13. Deadlines to register are generally one month prior to each test. It is important to include our school code, **172-375**, so that scores will be sent to PLHS. Many colleges accept ACT score labels from official high school transcripts and it is cheaper for you that way! Call if you have questions or just want to discuss all this! www.actstudent.org

Any students planning to enroll in designated one or two-year vocational programs after graduation might want to consider the **Kansas Vocational Scholarship program**. Students must take a qualifying exam. Approximately one-half of eligible applicants received \$500 each. The registration deadline is in early February, so please hurry and see me if interested. Most local scholarships will apply to vocational programs as well!

All PLHS students who plan to attend **Kaw Area Technical School, KATS**, must have a **Work Keys** score that is high enough for the particular program for which they are interested. We give the Work Keys test to all freshmen. Students can re-take individual tests if they don't immediately gain the scores they need. Mr. Ledbetter facilitates the Work Keys tests and can help students with make-up tests if necessary.

- Students at PLHS who need credit recovery to graduate on time can gain credit through our **VPL program**. Students complete computerized lessons, as well as off-line assignments, and gain the knowledge required to earn PLHS credit. (Mr. Elliott writes more about this program on our website).
- Another option for students who need to make up failed classes or credit is the **Lawrence Diploma Completion Program**. With PLHS permission a student may enroll to complete credits through computer classes there. The programs main function is as a diploma completion program. The center operates through the South Central Kansas Education Service Center.

GREAT FREE TRIPS!! The Leavenworth Jefferson Electric Cooperative sponsors all-expense paid trips to Steamboat Springs and Washington, D.C. for high school juniors. Families must be members of the cooperative for juniors to apply and compete. In the last few years, PLHS students have been selected for Washington, D.C. trips and enjoyed the experience very much! Students must apply by Feb. 10.
