

I understand that in order to have access and use of USD 343 computers, computer software and computer systems that each Perry-Lecompton student is required to follow and obey the “Student Computer Use – Regulations & Guidelines” (September 14, 2009) as they are now or may be amended.

I understand that Student Computer Use- Regulations & Guidelines can be located/viewed in each school’s student handbook on the district website: www.usd343.net.
