

Welcome to Perry-Lecompton Middle School, Home of the Kaws!

Perry-Lecompton Middle School staff members are excited for the start of yet another school year as we anticipate great accomplishments from our students. Our staff understands that the success of our students depends greatly on the support of our parents and community. With that said, we take great pride in providing all parents and patrons with current information regarding activities. Please read on.

USD 343/PLMS Website - This is definitely the best way to keep up-to-date on current events and activities at PLMS. Please bookmark our website page and check back often. You will also find teacher email addresses, directions to away athletic events, breakfast and lunch menu, link to Power School and numerous other informational links.

Power School Access - A secure webpage linked to our PLMS homepage. This site allows you to check your child's assignments, overall grades, attendance and discipline issues. Please stop by our office to pick up your User Login and Password information. Please remember that you must provide picture identification to receive login/password information.

Staff Email - Your child's progress is very important to the PLMS staff. The learning activities that occur during the school day receive first priority; therefore, a response to your email may not occur until after the school day or even the next morning. Unless there are extenuating circumstances, you should receive an email response within one business day.

Site Council - Our site council provides parents with the opportunity to work more closely with PLMS staff as we seek better ways to meet the needs of our students. All parents are welcome to our bi-monthly site council meetings.

PTO - Parent Teacher Organization - The PTO also meets on a bi-monthly basis and is highly involved with providing valuable support on Parent-Teacher Conference, concession stand, fund-raisers, etc.

Please take the time to navigate through our website. If you have any concerns or questions, don't hesitate to email or call the PLMS office. It is our honor and privilege to teach your child. We appreciate your support and understand that the success of our students is largely due to the guidance and encouragement you provide at home. **GO KAWS!**
